

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA

BARILOCHE 2017 - PATAGONIA ARGENTINA

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

Agenda At-A-Glance.

Academic Programme.

Planning & Direction:

Guillermo Navarro. (EVALa) Argentina.
Gang Zheng. (MDACC) United States.

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

Thursday, November 30th, 2017. Morning.

Lectures:

Pre-oxigenation and apneic oxigenation strategies (NODESAT- Thrive)

- Andy Higgs. (DAS) England.

Supraglottic Devices. Past, Present and Future

- Lorraine Pantano. (SAM) United States.

Airway Management & Pharmacology.

- Cecilia Sandoval Larios. (EVALa). México.

Extubation of difficult airway

- Katherine Hagan. (MDACC) United States.

Totaltrack VLM – Video Laringeal Mask. The future of Airway Management
Pedro Acha. Spain.

Interaction teachers / attendees.

Thursday, November 30th, 2017. Afternoon.

Innovations in Lung Isolation for Routine & Difficult Airway

- Jagtar Singh Heir (MDACC) United States.

Airway in paediatric patients - Recent Advances

- Haydee Osses. (EVALa) Chile.

Beyond Mallampati Scores: What we know and don't know?
(with case discussions)

- Gang Zheng. (MDACC) United States

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

“Out with the Old, In with the New” The Unanticipated Difficult Airway: The new algorithm for management and predictive factors of difficulty using the video laryngoscope

- Crystal Write. (MDACC). United States.

The Obstetric Airway: Risk Assessment and Management

- Ashutosh Wali. (SAM). United States.

Interaction teachers / attendees.

Airway Management in patients with full stomach. Current practice of the rapid sequence induction

- Rubén Allori. (EVALa). Argentina.

Pro – Con

Videolarinoscopes Vs fiberoptic intubation strategy in anticipated airway management.

Video-Laryngoscopes.

- Dr. Mario Poblete (EVALa) Chile.

Fiberoptic intubation.

- Dr. Oscar Valencia. (SIMUVAD) Spain.

Nap4 Comments

- Andy Higss. (DAS) England.

Roundtable

Safe and High Fidelity Clinical Simulation in Airway Management.

- Pedro Garrido. (SIMUVAD) Spain.
- Mauricio Vasco (EVALa) Colombia.

Interaction teachers / attendees.

20:00hs. Opening Ceremony

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

Friday, December 1st, 2017. Morning.

Real cases in the operating room with patients.

Activities broadcasted from OR to auditorium, with direct audio and giant HD screen.

Case one: Video Laryngeal Mask, Totaltrack VLM.
Interaction teachers / attendees.

Case two: VideoLaryngoscope of sharply angulated blade without cannal.
Interaction teachers / attendees.

Case three: Optical stylet. **Interaction teachers / attendees.**

Case four: Flexible Intubation Video Endoscopy in awake patient.
Interaction teachers / attendees.

Case five: Supraglottic Airway Device. 2nd generation.
Interaction teachers / attendees.

Friday, December 1, 2017. Afternoon.

High Fidelity Clinical Simulation in Difficult Airway.

Stage 1: Obese Patient. Pre-briefing – Stage – Debriefing
Interaction teachers / attendees.

Stage 2: Trauma Patient. Pre-briefing – Stage – Debriefing
Interaction teachers / attendees.

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

Lectures:

Invasive airway skills needed for an anaesthesiologist. Anaesthesia considerations of a surgical airway.

- Joseph Chiang. (MDACC) United States.

The New DAS for management of unanticipated difficult intubation in adults. What has changed. (Guidelines 2015)

- Ellen O'Sullivan. (DAS) Ireland.

Saturday, December 2, 2017. Morning.

Workshops

Stage 1

Supraglottic Airway Devices (SAD)

Stage 2

Infraglottic accesses

Stage 3

Ultrasound in airway management

Stage 4

High Fidelity Clinical Simulation in Difficult Airway. (1)

Stage 5

Videolaryngoscopy

I JORNADA NORPATAGÓNICA DE ANESTESIOLOGÍA
ENCUENTRO INTERNACIONAL DE MANEJO DE VÍA AÉREA
BARILOCHE 2017 - PATAGONIA ARGENTINA

Saturday, December 2, 2017. Afternoon.

Stage 6

Fibreoptic & Stylet Intubation

Stage 7

High Fidelity Clinical Simulation in Difficult Airway. (2)

Stage 8

High Fidelity Clinical Simulation in Difficult Airway.(3)

Stage 9

Video Laryngeal Mask (Totaltrack VLM)

Stage 10

Paediatric airway management
